

ANNOUNCING...

The Saint Agatha Parish Scrip Program

The new fundraiser that lets you help the Parish just by doing your regular shopping. There are no extra products to buy or sell.

What is Scrip? Scrip is gift cards and certificates just like the ones you purchase from stores, that we buy at a discount and sell to you at face value. The difference is our profit. Use Scrip to pay for your purchases instead of cash. Your profits may be directed two different ways.

75% of the profits may be directed to the Parish Operating Fund. Our first goal is \$45,000.00 to help with the budget deficit projected for next year.

OR

50% of the profits may be directed to the Tuition Assistance Funds, such as the Dorothy Faber Fund, the John Norton Fund, PSR, or any Catholic School Tuition Account. You decide where you want your profits to go. The other portion of the profits benefit the Home and School Association.

What Kinds of Scrip are available? Just about anything, including fast food, sit down restaurants, clothing, gasoline, grocery stores and all sorts of other products and services. Take a look at the attached form for a complete list of what is available.

How do I sign up? Complete a registration form available at the Scrip Table in the Parish Hall Lobby after weekend Masses, or in the Parish Office during the week.

How can we get Scrip? Stop by the table in the Parish Hall Lobby after weekend Masses, or drop your order off at the Parish Office during the week. Some commonly purchased Scrip is in stock and may be instantly purchased after Masses. You can order any Scrip not in stock by Sunday morning, and receive it the next Thursday.

How can we learn more about Scrip? Read through the enclosed information. Stop by the Scrip Table after Masses for a personal explanation or contact any of the Scrip volunteers listed below. Log onto the Scrip web site: www.glscrip.com.

How much could my participation help? The average Scrip profits are 6 %. Some are much higher; a few are a bit lower. *For example, if each month you spend:*

\$250 on Groceries, Gasoline, Clothing, and Dining Out, you could earn \$180 in a year.

\$500 on Groceries, Gasoline, Clothing, and Dining Out, you could earn \$360 in a year.

If just 200 families purchased \$500.00 a month of Scrip for a year, the parish could raise almost \$72,000 in that year. The more Scrip you use, the more you earn for the parish.
